# BENEFITS FOR TEACHERS

## Benefits of Treetop Trekking's activities for teachers

### 1. A safe environment

Led by experienced professionals, our activities ensure your students' safety while providing you with peace of mind.

### 2. Hassle-Free organization

We take care of all the logistics, so you can focus on what matters most: enjoying the experience with your students.

### 3. Deepening connections

Our adventures are designed to promote cohesion and team spirit, strengthening the connections between your students and creating a more harmonious classroom environment.

### 4. All the benefits of the outdoors in one activity

Outdoor activities are an excellent way to reduce stress and enhance the physical and mental well-being of your students.

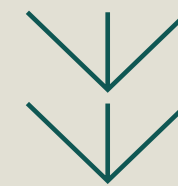

### 5. Disconnect from screens to reconnect with nature

Our adventures let your students reconnect with nature, exploring and learning in a lively, engaging, and refreshing environment.

- School boards informed consents accepted in place of our waivers
- Liability insurance for at least 2 million dollars
- Staff have Police checks
- Staff have First aid and CPR Level C +AED
